Mr. Howland Wood,

American Numismatic Society,

156th St. & Broadway, N. Y. C.

Dear Sir:

While Mr. Broadway was in Chicago, he had the pleasure of meeting Mr. Farran Zerbe of Tyrone, Pa., who was conducting an Educational Exhibition there of "Money of the World."

Mr. Broadway spoke to Mr. Zerbe, of our trying to locate an odd, distinctive, old coin to reproduce on a band and he suggested our getting in touch with you. We are herewith enclosing copy of a head band on which we used an old coin, so that you may get an idea of how we would use same.

Would you kindly advise the writer whether or not you could suggest some way of our perhaps borrowing a coin, or where we might locate a book which would show various old coins. Thanking you for any information you could give us, we are,

Very truly yours,

Smith, Hogg & Co.,
